Abstract

Letter No. Ms. 5562 Development, dated 9-11-48.

Development Department.

Letter No. Ms. 5562, Development, dated 9-11-48.

To

The Secretary to the Government of India
Ministry of Railways,
New Delhi.

Sir,

Sub: Iron and Steel - Closed Wagons - Supply.

It has been represented to Government that open wagons are ordinarily supplied for the transport of iron and steel materials and that even their supply is very inadequate on the metre gauge. As transport in open wagons is subject to pilferage, I am directed to request the Government of India to be so good as to issue necessary instructions to supply closed wagons and also to see that the required number of wagons are supplied on the metre gauge to enable the materia to be transhipped, without delay.
